Dr. Lawrence Andrade,  
now has a rapid covid  
antibody testing clinic.

Rapid covid antibody tests are now being done at Family Medicine Associates,  
517 E. Nizhoni Blvd, on the following days.

Monday 3pm to 8pm  
Tuesday 4pm to 8pm  
Wednesday 4pm to 8pm  
Thursday 3pm to 8pm  
Friday 1pm to 7pm  
Saturday 9am to 5pm

The rapid test is done by a  
finger stick (poke) to test  
for antibodies to covid, and  
can be used to confirm  
antibodies being obtained  
from the vaccine.  
Test results are returned in  
10 minutes.

The rapid test will be billed to  
your insurance, or if you are  
paying out of pocket, the cost  
is \$40. We also offer  
discounts for businesses and  
can arrange to have your  
employees tested routinely.

**Please call 505-722-  
6603** and schedule your  
appointment today to be  
tested for covid.

Thank you,
