A word from Mike Hyatt, Superintendent

2022 Graduates,

We want to congratulate every one of you on your hard work, dedication, and accomplishments this year and wish you all the best in your future education, careers, and life goals. You are moving on to a new and exciting chapter in your life to fulfill your own purpose and potential.

The 2022 Senior Class has faced many challenges as we all have navigated new and unprecedented learning environments. Through it all you have paved a new path, one born through perseverance and dedication to your future. Your innovation, individual achievements, and technological skills will serve you well into the next phase of your life-long educational journey. You have made GMCS, your families and your community proud.

You are ready for the challenges ahead of you. Continue to be courageous, selfless, and kind. Strive to make a difference in your life and the lives of others. We congratulate you as you make your way into the world, and we wish you the very best for your continued success in all that you accomplish in the future.

Sincerely,
Mike Hyatt
Superintendent
Gallup-McKinley County Schools

GMCS embraces the Earth Day Clean up Challenge.

On April 22nd we celebrated Earth Day with a fun clean up challenge. We tasked all our GMCS schools with picking up around their school and community. The response was amazing! We had 17 participating groups and they helped to beautify our community by picking up an estimated total of 262 bags of trash. We are grateful to the over 1000 volunteers for all your hard work! At the time of our voting, we had determined that the winner of this challenge was Red Rock Elementary with 58 bags of trash. Red Rock was gifted with a Fresh Fruit Stand on May 16th. We want to thank all our schools and organizations for their participation.
