

# OPPORTUNITY CAREER CENTER CONSTRUCTION PATHWAY

## PROGRAM DESCRIPTION:

Students in the Architecture and Construction program have two pathway completion options (Carpentry-NCCER and Residential Construction). In addition to the hands-on instruction building houses with our community partner, students will complete high school history courses and take targeted mathematics courses. Both the Applied Math and Financial Literacy courses will emphasize industry-specific mathematics applications. Our History courses meet graduation requirements, and either Math course can be utilized as the fourth math credit for graduation requirements. The students will have the opportunity to build modular homes for their capstone course. Have you dreamed of becoming a skilled contractor or running your own construction company? Come join us at Opportunity Career Center to start your future in the construction field!

# OPPORTUNITY CAREER CENTER HOSPITALITY PATHWAY

## PROGRAM DESCRIPTION:

Students in the Hospitality Program have three pathway completion options (Restaurants & Food/Beverage Services- ProStart, Travel & Tourism, and Entrepreneurship). They will participate in hands-on learning that fully integrates the areas of Hospitality, History, and Business. In addition, 10th and 11th-grade students will take History classes to complete NM high school graduation requirements. Students will have the opportunity to help run a school-based café incorporating everything from purchasing to sales. Have you dreamed of becoming a renowned chef or running your own restaurant or bakery? Come join us at Opportunity Career Center to start your future in the hospitality field!
